

Nestled on 50 acres on the shore of beautiful Black Lake, Black Lake Bible Camp offers a wide array of recreational opportunities.

In addition to our excellent summer waterfront program, you'll find plenty of ways to enjoy the great outdoors year round. Whether exercising your muscles on one of our fields or sports courts, enjoying a stroll along our wooded walking trails, or simply enjoying the beauty of Black Lake, there are more than enough activities to fill your days.

Since Black Lake Bible Camp is conveniently located just minutes away from Olympia, WA, there is ample opportunity to recreate off camp as well: go golfing, bowling or skating; take a stroll in more than a dozen unique and beautiful parks; or visit the majestic State Capital.

Coming Soon:

- 12,000 sq. ft. Multi-purpose gymnasium and 3 new meeting rooms.

Recreation Opportunities at BLBC

Swimming: We have a fully staffed waterfront program available from mid-June through Labor Day, including use of the "Blob" and waterslide. The waterfront may be used at other times provided that the guest group supplies one RED CROSS certified lifeguard for every 50 campers. (Certificate must be presented upon arrival. No Exceptions).

Power Boat Sports: Black Lake Bible Camp offers groups access to water-ski, wakeboard, knee-board and inner tube activities. For a fee, we will provide the boats, drivers and equipment for campers to have a thrilling but safe experience on Black Lake. Groups can also provide their own boats, drivers and equipment; and there are nearby boat launches to accommodate guest boats.

Fishing and Canoeing: Black Lake offers year round fishing for licensed fishermen. Throw your line off our docks, or use one of our canoes to find an out of the way place. Canoes are also available for other recreational uses. There is no charge for canoe use.

Sports Fields/Courts: The camp has four large playfields available for baseball, football, ultimate Frisbee or other field games. There is also a county park across from BLBC offering groomed softball and soccer fields and an oval walking track. We also offer outdoor basketball and sand volleyball courts.

Archery: We offer a camp-staff facilitated covered archery range for group use. Archery is an open activity available to all groups during scheduled hours.

Disc Golf: This fun-for-all-ages activity is easy to play for large and small groups. We have nine holes situated to take you all around the camp, and discs can be checked out from the office at no charge.

Other Activities: Shuffleboard, Carpet Ball, Table Tennis and Horseshoes are available year round. We also have a network of marked walking trails with information on the wildlife and foliage of Black Lake Bible Camp.

Percival Landing Park stands on the site of the old Percival family dock. Built by the City of Olympia in 1977, it offers fabulous harbor views, extensive public artwork and historical markers that detail the city's maritime past.

At **Priest Point Park**, just two miles from downtown Olympia, you can still get a glimpse of what the land looked like before outside settlers came. Dark green woods, dripping with moss, still encircle a hidden cove and blanket the banks of Budd Inlet as they have for thousands of years.

Tumwater Falls Park & Tumwater Historical Park meet at Tumwater Falls on the Deschutes River. Take a quarter mile walk on either side of the river to the lower falls. See salmon fish ladders built along the river's edge, where Chinook & Coho move upstream to the fish hatchery in October & early November. Enjoy the woods and marshlands, the birds and wildlife and a view of the historic brick brew house, built in 1906.

The **Olympic Flight Museum** is dedicated to the preservation of vintage aircraft and was founded with the goal of bringing people together to relive, recollect and learn about aviation history. The museum hosts the annual Northwest Gathering of the Warbirds, and contributes to local airshows. Numerous aircraft are on a rotating display schedule. Artifacts and exhibits, gift shop, Warbird rides, and a winter lecture series are all at the museum.
